

CROSSON CEMETERY RESTORATION WORKSHOP

Presented by the Warren County Genealogical Society
Friday, September 15, 2023

Spend a full day in the cemetery learning the proper techniques for cemetery restoration and repair ~ identifying, cleaning, and repairing grave markers.

Learn cemetery restoration policies, practices, and laws, and the history of Crosson Cemetery in Harlan Township from [Ta Mara Conde](#), gravestone conservator from Historic Gravestone Services of New Salem, Massachusetts. We are very pleased to bring Ta Mara's vast experience and knowledge of industry-wide standards, including NCPTT (National Center for Preservation Technology and Training), to our decade-long educational program of cemetery restoration in Warren County.

You should attend this workshop if...

- You are interested in seeing our cemeteries maintained and restored.
- You are responsible for cemetery maintenance and oversight.
- You are interested in passing on to younger generations the importance of preserving our consecrated cemeteries.
- You are a Scout interested in a cemetery project for a Merit Badge.
- You want to build community and foster our sense of place.

The cost of the clinic, including extensive workshop materials and a picnic lunch, is **\$50 per person**.

Friday's workshop will run from **10AM to 3PM** at Crosson Cemetery. Check-in begins at 9:30 a.m. Workshop participants are invited to stay an hour or two after the workshop for supervised, hands-on training.

To register or for more information, please visit our website or call 513-695-1144.
