

**November Meeting – Nov. 8, 2006**

***German Research***

Note the different week

We welcome **Kenny Burck** to present our program on the **second Wed – Nov 8<sup>th</sup> at 7:30 in Phillippi Hall**. Kenny is a popular speaker who will center his talk on German Research. This is always a popular subject. He will include some German Genealogy Facts, migration patterns, sources for German genealogy, differences in doing German research and locating a German Village. There will be time for questions and answers.

Kenny also notes that the Norwood LDS Library on Bosworth Place is a great resource for those doing German research. Thurs. night is "German" night as several volunteers that night are experts in Germany. Also, this library has a great many German microfilms on permanent loan as Cincinnati has had many German settlers and research has been done for years on the various areas.

Everyone is welcome to this presentation, bring a friend. Light refreshments will be served following the presentation. Also, election of officers will be held for the 2007 year. Any one interested in helping, let us know at 695-1144.
